

New Jersey Division Community Care Ministries Newsletter

Community Care Ministries is LOVE IN ACTION.
**"Dear children, let us not love with words or tongue
 but with actions and in truth. -1 John 3:18"**

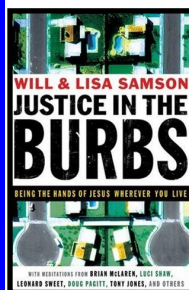

Englewood corps has recently visited a Korean nursing home. CCM members prepared snacks to serve. And they had a worship service and fellowship with the residents. Especially, Team CARE members shared their musical skills. Thank you to CCM members to show good examples to the young people. May the Lord continue to help you serve one another in Christ!

Songs and Stories for Soldiers Project

Many veterans are struggling to sleep every night because of insomnia and trauma. MP3 players with soothing music and stories have been distributed to veterans in East Orange VA center, NJ.

Thank you to Major Kathy Calvo and Envoy Scott See for the wonderful service for our veterans.

Recommended book

This book tells us why we have to serve those in need. The authors Will and Lisa mentions about the Salvation Army in this book. You will be proud of our works in the Salvation Army through this book.

In this month,

*Would you like to help Spring clean up for your corps? Your little action of love will brighten the house of the Lord.

*Mother's day is coming around the corner. Please look around and find someone who needs your help. Would you like to watch single moms' children for an hour or two?

*Your community also needs your help. How about picking up trashes or passing the water bottles during Memorial day parades? Be creative!
